MEMORANDUM FOR: Deputy Assistant Director,
Central Reference

SUBJECT : Temporary Merger of the Subcommittee on Referencing
of Foreign Language Materials with IAC ad hoc
Subcommittee on Information Processing.

1. In the interests of undesirable duplication of effort, I believe it advantageous for the Subcommittee on Referencing of Foreign Language Materials to join forces with your ad hoc committee on Information Processing.

2. The Reference Subcommittee is a permanent organization charged with studying the problems of processing of information from foreign language publications. This problem is subsumed under the terms of reference of your ad hoc committee. I am informed that, in many cases, the same personnel sit on the two committees.

3. With your concurrence, I shall instruct the Chairman of the Reference Subcommittee to suspend formal meetings and report on his committee's responsibilities as excerpts from the minutes of your committee.
